**WITHDRAWAL OF
NOTICE OF PROPOSED
ADMINISTRATIVE FINE
AND LICENSE ACTION
No. AF 05-048**

August 9, 2005

This Withdrawal of Notice of Proposed Administrative Fine is issued by the Department of Environmental Services, Waste Management Division ("the Division") to the ExxonMobil Oil Corporation ("ExxonMobil"). The original Notice of Proposed Administrative Fine and License Action No. AF 05-048 ("the Notice") was dated June 7, 2005 and sought administrative fines totaling \$1,000 for violations relating to the underground storage facility located at the Mobil #01-123, 15 Concord Street, Nashua, NH. At the time the violations were discovered, the Division agreed to give ExxonMobil additional time to correct the violations. A subsequent conversation with Paul Mendelssohn of Veeder-Root, an ExxonMobil contractor, and correspondence dated June 13, 2005 documented that some of the violations were corrected before the requested 30-day deadline and others were corrected within a reasonable time period after the deadline. The Division thus withdraws the Notice.

Questions regarding this Withdrawal should be directed to Thomas Beaulieu at 603-271-2986 or by e-mail at tbeaulieu@des.state.nh.us.
